DETAILED ACTION

The following is a response to the amendment received on October 17, 2005 which has been entered.

Response to Amendment

Claims 1 and 3-25 are pending in the application. Claim 2 has been cancelled.

-The information disclosure statement filed on October 31, 2005 has been considered.

-The 102(b) rejection of claims 1, 13, 14, 22, 24 and 25 has been withdrawn due to applicant amending claims 1, 24 and 25 with the indicated allowable subject matter of cancelled claim 2.

-The German office action disclosed with the Information disclosure statement cited above cites reference (D1) DE 4321333 as meeting the limitations of claim 1 and reference (D2) DE 10147314 as meeting the limitations of claim 2, but provides no motivation for combining the references. As such, due to the D2 reference lacking any control of a throttle (change degree, opening, etc.) to control output shaft rotation speed, there is no motivation to combine these two references.

Allowable Subject Matter

Claims 1 and 3-25 are allowed.
